

# Install software Ricoh Printer IM C3000

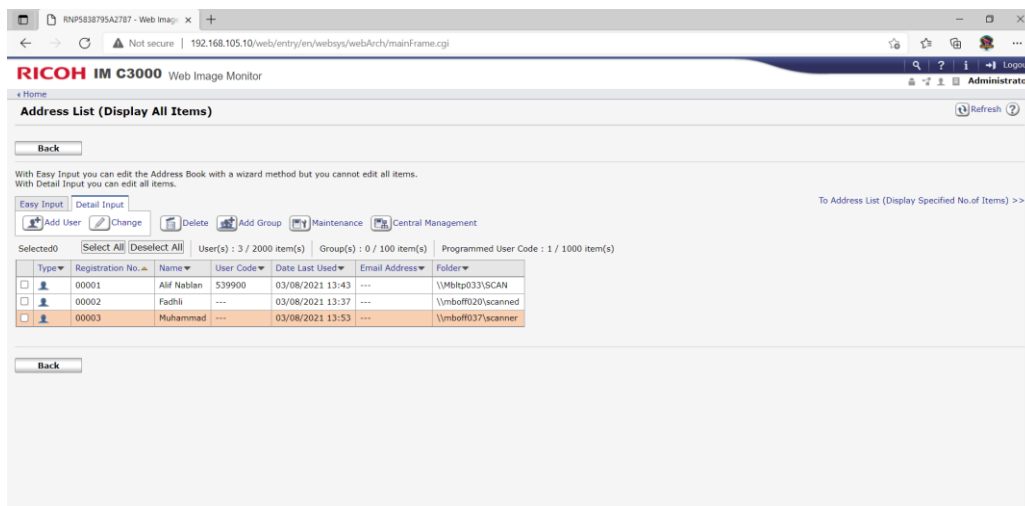

IP Printer :-

192.168.105.10

Username :- admin

Password : password

To set authenticator code:-

The screenshot shows the RICOH IM C3000 Web Image Monitor interface. The top navigation bar includes 'Home', 'English', 'Switch', and 'Refresh'. The main content area displays 'Device Name : RICOH IM C3000' and 'Host Name : RNP5838795A2787'. A 'Configuration' dropdown menu is open, listing options: Address Book, Central Management, Main Power Off, Reset Printer Job, Reset the Machine, and Screen Monitoring. A 'Check Details' button is located at the bottom right of the main content area.

## RICOH IM C3000 Web Image Monitor

The screenshot shows the 'Device Settings' page in the RICOH IM C3000 Web Image Monitor. The page title is 'Device Settings' and it features a gear icon. A list of settings is displayed, with 'User Authentication Management' highlighted and a red arrow pointing to it. The settings list includes:
